

## KING WILLIAM'S COLLEGE

---

20 November 2012

### To all drivers using King William's College grounds

Dear All

#### **Traffic – Health and Safety Issues**

I have received a number of complaints recently about 'driving' and 'parking' at King William's College. I would be grateful if you would take great care when using the drives and car parks, paying particular attention to pedestrians.

Please note specifically the following :

- Please use the main car parks – not the drives – for parking.
- Take great care to drive slowly, and watching for pedestrians, who may not always use pedestrian crossings.
- Take great care when reversing.
- There is never any excuse to speed through the grounds, even if it looks clear.

The College grounds are a campus, and the culture should be one of 'pedestrians come first'.

Yours sincerely

John Oatts
